1. Dong-ér torkolat Csaj-tó vándormadarak

Magyarország vár magazin 2021.10:

In the wake of migrating waterfowl

HUNGARY IS A WETTY HABITAT, THE SURROUNDING REEDS, GROVES, AND FISHING AREAS

ARE HOME TO AN INCOMPETENTLY RICH BIRD WORLD. THE AUTUMN SEASON IS ESPECIALLY FAVORABLE FOR WATCHING WATER BIRDS: AT THIS TIME WE CAN WITNESS THE IMPRESSIVE MIGRATION OF CRANES AND WILD GEESE ON THEIR WINTER LOCATION.

CRANE DRIVING IN THE ALFÖLD

Until the beginning of the 20th century, cranes also nested in the Carpathian Basin, but due to the narrowing of their habitat, they no longer breed in Hungary. However, a few decades ago, we can see them again in large numbers: during the crane procession, they travel across the Great Plain in teams of tens of thousands. Most large-bodied migratory birds gather in Hortobágy in the second half of October, and then move on from there, and the number of cranes heading for their winter accommodation in the Southern Great Plain reaches its peak in mid-November. During their rest here, we can admire the amazing phenomenon called crane migration: the birds fly out into the fields in the morning to look for seeds, and then at sunset they return in huge flocks to their night resting place, to the fish ponds that provide safety and to the shallow salt marshes.

WHERE SHOULD WE GO ON CRANES?

- The Directorate of the **Hortobágy National Park** organizes crane tours at dawn and dusk on weekends and on weekdays during the fall break until the end of October. Info: hnp.hu
- You can also admire flocks of cranes noisily pulling in at sunset on guided tours on Hungary's largest salt lake, **Fehér-tó in Kardoskút**, which belongs to the **Kiskunság National Park**. In such cases, with a professional guide, you can also enter areas of Lake Fehér that are not open to the public. Info: Fehér-to.hu

WILD GOOSE PLAY

The migration of wild geese can be observed a little later, in November: at this time, tens of thousands of summer geese, snow geese, big liliks or nun geese come to us from the northern tundra for their winter rest of a few months. Like the cranes, it is worth spotting them in the morning and at dusk, above all at **Öreg-ó in Tata**, which is one of the most important wintering grounds for wild geese in Europe, but they also like to roost in the Hortobágy and the southern plains. According to the description of the ornithologist **Schmidt Egon**, the drawing in of the wild geese starts before sunset, flock after flock arrive above the water, where their gurgling letter V breaks up, and the large birds drop, spin, rotate, like leaves driven by the wind, and land on the water. The one and a half to two hour show is an unforgettable experience."

DRIVING CELEBRATION AND CRANE FESTIVAL

In the Great Plains, sheep were traditionally driven from the desert pastures to their winter quarters on **Saint Dömötör's day**, and the shepherds were held accountable and wages were paid at this time. This folk custom will be symbolically recalled on **October 24** at Hortobágy with colorful programs. The Crane **Festival** is also held on the same day, with a mobile exhibition, interactive children's activities, a recipe competition and a crane-door-beautification competition.

Photo: Attila Szilágyi/ **Hortobágyi National Park** Directorate, Péter Csonka OCTOBER

Vándorló vizimadarak nyomában

MAGYARORSZÁG VIZES ÉLŐHELYEL, A KÖRNYEZŐ NÁDASOK, LIGETEK, CSALITOSOK PÁRATLANUL GAZDAG MADÁR- VILÁGNAKADNAK OTTHONT. AZ ŐSZI IDÉNY KÜLÖNÖSEN KEDVEZ AVÍZIMADARAK MEGFIGYELÉSÉNEK: ILYENKOR LEHETÜNK SZEMTANÚI A TÉLI SZÁLLÁSHELYÜKRE TARTÓ DARVAK ÉS VADLUDAK LENYÚGÖZŐ VONULÁSÁNAK.

DARUHÚZÁS AZ ALFÖLDÖN

A 20. század elejéig a Kárpát-medencében is fészkeltek darvak, de élőhelyük szűkülése miatt ma már nem költenek Magyarországon. Néhány évtizede azonban ismét seregestül láthatjuk őket: daruvonulás idején több tízezres csapatokban ejtik útba az Alföldet. A Hortobágyon október második felében gyűlik össze a legtöbb nagy testű vándormadár, majd innen továbbvonulnak, s a Dél-Alföldön november közepére éri el csúcspontját a téli szálláshelyükre tartó darvak száma. Itt töltött pihenőjük során csodálhatjuk meg a daru-húzásnak nevezett káprázatos jelenséget: a madarak reggelente kirepülnek a mezőkre magvakat keresni, majd naplementekor hatalmas rajokban térnek vissza éjszakai pihenőhelyükre, a biztonságot nyújtó halastavakhoz és a sekély vízű szikesekre.

- A Hortobágyi Nemzeti Park Igazgatósága október végéig hétvége és az őszi szünetben hétköznapi is szervez darules-túrákat hajnalban és alkonyatkor. Info: hnp.hu

- Magyarország legnagyobb szikes tavon, a Kiskunsági Nemzeti Parkhoz tartozó [kardoskúti Fehér-avon](#) is vezetett túrákon lehet megcsodálni a naplementében hangosan behúzó darucapatokat. Ilyenkor szakvezetéssel a Fehér-tó szabadon nem látogatható területeire is beléphetünk. Info: Feher-to.hu

VADLUDAK SZÍNJÁTÉKA

A vadludak vonulását kicsit később, novemberben figyelhetjük meg: ilyenkor az északi tundra felől tízezres nagyságrendben érkeznek hozzánk a nyári ludak, vetési ludak, anagy lilikek vagy az apáca-ludak csapatai néhány hónapos téli pihenőjükre. A darvakhoz hasonlóan reggel és alkonyatkor érdemes meglesni őket, mindenekelőtt a [tatai Öreg-ónál](#), amely a vadludak egyik legfontosabb európai telelőhelye, de a Hortobágyon és a dél-alföldi pusztákon is előszeretettel tanyáznak. Az ornitológus **Schmidt Egon** leírása szerint a vadludak behúzása még naplemente előtt indul, csapat csapat után érkezik a víz fölé, ahol a gágogó V betűk felbomlanak, és a nagy madarak magukat leejtve, pörögve, forogva, akár a szél hajtotta falevelek, landolnak a vízen. A másfél-kétórás színjáték felejthetetlen élmény."

BEHAJTÁSI ÜNNEPSÉG ÉS DARUFESZTIVÁL

Az Alföldön hagyományosan **Szent Dömötör napján** hajtották be a juhokat a pusztai legelőkről téli szálláshelyükre, ilyenkor zajlott a pásztorok elszámoltatása és a bérfizetés is. Ezt a népszokást idézik fel jelképesen **október 24-én** a Hortobágyon színesprogramokkal. Ugyanezen a napon tartják a **Daru-fesztivált** is, amely mobil kiállítással, interaktív gyermekfoglalkoztatóval, receptversennyel és dara- porta-szépítő versennyel várja az érdeklődőket.

2. Szarvas cikk

MINI VADASKERT a vízmű véderdejében

Gyakori látvány a BÁCSVÍZ Zrt. Vízmű utcai védterületén a békésen legelő szarvascsapat. Az állatokat azonban télen naponta el kell látni takarmánnyal. Erről is szó esik a Természetvédelem határok nélkül című KTV-magazinműsor legfrissebb epizódjában, február 19-én 19 órai kezdettel.

Aki sokszor közlekedik a Vízmű utca felé, gyakran megfigyelheti, ahogy a BÁCSVÍZ Zrt. védterületén békésen legelésznek a dámszarvasok. Azt azonban kevesen tudják, hogy az állatokat télen 1-2 naponta el kell látni takarmánnyal. Ezt a feladatot évek óta a Mega-Sped Kft. munkatársai végzik két helyszínen. Az ete-

tőhelyekre napi rendszerességgel kerül szalastakarmány, kukorica és cukorrépa – tudtuk meg Szabad-
szállási Mihálytól, a Mega-Sped Kft. tulajdonosától.

Azt is elmondta, jelenleg csak két helyen etetnek a véderdőben, mivel nincsen hó. Ha nagyobb hótakaró alakul ki az erdőben, előfordul, hogy

több helyen kell egyszerre etetni a dámszarvasokat.

Az ilyen és hasonló időben, ha nincs hó, a zúsmarás fűvet is szívesen csemegézik a szarvasok. A vízmű védterületén nagyjából állandó a számuk, mivel a szaporulatot befogják és elszállítják. A szarvasrudikat a Benkő Zoltán Szabadidőközpont, a Kecskeméti Fürdő és a Kecskeméti Élmenyfürdő és Csúszdapark területéről is gyakran meg lehet figyelni. A Sutusfalu felőli sarkon pedig néha olyan nyugodtan álldogálnak, hogy az arra járók egy mini vadaskertben érezhetik magukat.

A. TELLIK AZ ISBN CASSA. The isbn checkout is running out. (8.):

Az eSzínház a Cameo szolgáltatás segítségével „vette rá” a sztárokat, hogy üzeneteket küldjenek a magyar nézőknek: a Cameo révén a megszabott árért cserébe bárki rendelhet - bármilyen üzenetet az arra nyitott sztároktól. (HVG 2023.04.25)

With the help of the Cameo service, eSzínház "persuaded" stars to send messages to Hungarian viewers: through Cameo, anyone can order any message from stars who are open to it in exchange for a set price.

B. VALAMIT ÉN IS GÖRNYESZTETTEM something me too hunchback :

Notes 78

@gigabajtos 46 minutes ago (edited)
As a fan, I could only send encouragement with your compliments to closed worlds (???). It's a pleasure to travel with you on the showbiz tram. Not like a school-bus Cameo? They are baggies flameideas ask you out, it's a shame to get into anything Gaia had eyes like that! You're a good-looking mascot, you think in the morning, you look into King Kong's eyes Oehe, and my evolution box of tricks starts chirping.

- | | |
|---|--|
|  | A Fidesz Ungár Pétert támogatja, mert valakik telefonon hívogatják az embereket |
|  | Segédorvosból az Európai Unió csúcsára juthat Ursula von der Leyen |
|  | Kellett Orbánnak a fizetésemelés, drága a homár Rómában, nem ehét mindig szalonnát |
|  | 9 hónap alatt hétmillió forint kártérítést fizetett a MÁV |
|  | Európa legnagyobb tűzijátéka volt a Szent István-nap fénypontja |
|  | A házi orvosok praxisát és a pedagógusok életpályáját érintő két új kormányrendelet jelent meg az éjjel |
|  | Eddig is a legdrágább volt az EU-ban az éves magyar autópálya-matrica, amely 16 százalékkal drágul jövőre |
|  | Ízlelgessük: fejadag - ennyi liszt, cukor, tojás, vécépapír jár egy magyarnak a kormány szerint |
|  | Katonai célú beruházással nyilvánította a Déli Körvasutat a kormány |
|  | Telex: Orbán már a hatvanpusztai birtokon tartja a munkamegbeszéléseit egy korábbi magas rangú kormányhivatalnok szerint |
|  | Eb 2024: 3.5 milliárd forintot kap a magyar válogatott, a végső győ |
|  | Az ukrán gabona ügyéről is elmondhatják véleményüket a magyarok a nemzeti konzultációban |
|  | Index - Belföld - Sorra tűnnek el a fiatal lányok a budapesti gyermekotthonokból |
