Epigraph:

VII Edition Field Notes 175 Creators 190 Bookmarks For those who truly follow the theme. This archive is impossible to ignore. Since August 30, 2025, a lot has changed. Some returned Some sharpened their presence, Others simply faded behind. New identities emerged. Some vanished, Some blocked the road. Yes, there were dramas, Even the red-light moments. But in the end, we are still people here. Half-year footprint.
